

Daytime Parent Contact

Any number of issues can come up while your child is here, and we need to know exactly how to reach you. Please fill out the following form listing your preferred contact information for one or both parents. This information should be a cell or email, something that can be answered quickly. This will NOT be listed in our school directory; this is for office purposes only.

PLEASE NOTE: This is NOT the same as the Pick-Up Authorization Form, which lists persons (other than the parent) authorized to pick up your child at dismissal, such as a babysitter, grandparent, etc.
